BIRTHPLACE OF NETTIE CUSTIS MUST YIELD TO MODERN PROGRESS

HOUSE IN WHICH NELLIE CUSTIS WAS BORN

PRESENT TENANTS OF NELLIE CUSTIS'S BIRTHPLACE,

Steam shoves are cating their way for cating their way for the birthplace of Nelle Custing and many later of the colored washington and the common of Abingdon, as the estant win held and bailed into brick for the house will be ment penular wome house where the ment penular wome house where the ment penular wome house penular from the house will be more. The penular of the house will be no more. The panel has been to their thing to the word, and where her childhood was appent. Now, the deep clay pits are but a few yards from the house will be no more. The panel has been the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will be not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass when the house will be not more than a probably not many months will pass the probably not many months will be probably not many months will be probably not many months will be probably not man
